I'm sick and tired of it all,  
you've sunken this ship too many times.  
So if your sea is not dry when I wake up;  
I'll be gone.  
I'll be gone.

Can you feel it?  
Can you feel it?  
Cause I'm tired of walking down  
the same old road over and over again.  
Can you feel it?

I rested peacefully within  
your false concern, my illusion.  
But now I've gone too far to turn back.  
Soon I'm gone.  
Soon I'm gone.

Can you feel it?  
Can you feel it?  
Cause I'm tired of walking down  
the same old road over and over again.  
Can you feel it?

(Choir singing "Aa-a-a-ah")

Can you feel it?  
Can you feel it?  
Can you feel me sailing from the time that's gone by?  
Can you feel it?  
Can you feel it?

Now it's time for me to let it go;  
So goodbye.  
So goodbye.
