Even though that I just meet you,  
And we've only said hello.  
I can tell that you are special,  
Don't ask me how I know.  
It may sounds strange but,  
To me it seems  
You where always here  
Living in my dreams

Ref

I can feel your love is in the air  
Raise of sunshine everywhere.  
Touching me forever and for always.  
Angel eyes will look on me,  
Telling me we were meant to be  
Bringing back what I thought was gone,  
Everything changes, from now on.

Do you believe in magic,  
Do you believe?  
Falling at first sight  
Life comes crashing in  
I begin to realize  
There's nowhere  
For me to run to now

Ref

I believe in tomorrow  
Let it go of yesterday
