Hey
Let's start a band today
Let's make some noise and play
Until we fall over

Yeah
Let's go away somewhere
Never wash our hair
Celebrate summer!

Only you
Can make me feel this way
Young and true
Only you
Save today
For a rainy day
Young and true
Only you

Hey
Let's climb the Himalayas
The sunsets are great!
And we could pretend we're angels

Damn!
Sounds like a plan
Nothing is too grand
Let's make the stairs quiver

Only you
Can make me feel this way
Young and true
Only you
Save today
For a rainy day
Young and true
Me and you
