I didn't read the manuscript
I played it all by ear
Never dreamt of making it
I always knew, my dear

What ever you feel
What ever I am
What ever it means

No matter what
I'll be giving it all in one shot
You get the best of what I've got

You can put my life on trial
Have me on the stand
I have no regrets and no denials
Gotta take me as I am

What ever you feel
What ever I am
What ever it means

No matter what
I'll be giving it all in one shot
You get the best of what I've got

Am I fighting windmills now
Or did I hit the sport?
I hope I'm not asking for too much
It's easier to break a vow
Than loving what you've got
You get the best, the best of what I've got
