He's an ordinary man,
goes to work as planned.
But little did he know,
what the day had in store.
He had a plan, had to let it go.

You sacrifice your time,
you put yourself aside.
You're an undercover superhero.
No one knows your name,
not in it for the fame.
You're an undercover superhero.

She will lend a helping hand
to anyone, anywhere.
She never turns her head,
never looks the other way.
The love she gives
makes her wanna live.

You sacrifice your time,
you put yourself aside.
You're an undercover superhero.
No one knows your name,
not in it for the fame.
You're an undercover superhero.

I believe, I believe, I believe in you.
I believe, I believe, I believe in you.
I believe, I believe, I believe in you.

You sacrifice your time,
put yourself aside.
You're the undercover superheroes.
No one knows your name,
not in it for the fame.
You're the undercover superheroes.

You're the undercover superheroes.

You're the undercover superheroes.
