Lucky you were born that far away so  
We could both make fun of distance  
Lucky that I love a foreign land for  
The lucky fact of your existence  
Babe, I would climb the Andes solely  
To count the freckles on your body  
Never could imagine there were only  
Ten million ways to love somebody

Le do le le le leh, le do le le le leh muhahhaa  
Can't you see...I'm at your feet

Whenever, wherever  
We're meant to be together  
I'll be there and you'll be near  
And that's the deal my dear  
Thereover, Hereunder  
You'll never gonna have to wonder  
We can always play by ear  
and that's the deal my dear

Lucky that my lips not only mumble  
They spill kisses like a fountain  
Lucky that my breasts are small and humble  
So you don't confuse them with mountains  
Lucky I have strong legs like my mother  
To run for cover when I need it  
And these two eyes are for no other  
The day you leave will cry a river

Le do le le le leh, le do le le le leh  
At your feet...I'm at your feet

Whenever, Wherever  
We're meant to be together  
I'll be there and you'll be near  
And that's the deal my dear  
Thereover, Hereunder  
You'll never have to wonder  
We can always play by ear  
And that's the deal my dear

Le do le le le leh, le do le le le leh

think out loud, say it again

Le do le le le le le leh

Tell me one more time  
That your there  
Lost in my eyes.

Whenever, wherever  
We're meant to be together  
I'll be there and you'll be near  
And that's the deal my dear  
Thereover, Hereunder  
You've got me head over heels  
There's nothing left to fear  
If you really feel the way I feel

Whenever, wherever  
We're meant to be together...  
I'll be there and you'll be near  
And that's the deal my dear  
Thereover, Hereunder  
You've got me head over heels  
There's nothing left to fear  
If you feel the way I feel.
