### "Burning Bridges"

Been thinking a lot about my ways  
Guess I'm trying baby  
Been searching out a way to say  
Guess I'm sorry baby  
This time I give all to you  
It's time I prove something to you  
So I'll lift you up and hold you near  
Warm your heart and calm you fears  
See I don't want to lose this love I found  
So I'll burn my bridges burn them down  
Been hurting a lot without you here  
Guess I need you baby  
Been sleeping upon a bed of tears  
Guess I miss you baby  
This time I give all to you  
It's time I prove something to you  
Take all my world and shake it  
Take my dear heart and embrace it  
Take what I say and listen  
My world's changing, changing for you
