I'm not splintered this wall  
And I'm not gonna take this fall

You don't feel anymore  
You don't stand in a line  
You can't think for yourself  
'Cause you don't have the time  
You're not paranoid  
'Cause you're with the crowd  
After all

Just like a charyou tree  
It comes so easily  
And it burns me down

Sometimes I can't feel a thing  
When I feel fingers touching me

You don't feel anymore  
You don't stand in a line  
You can't think for yourself  
'Cause you don't have the time  
You're not paranoid  
'Cause you're with the crowd  
After all

Just like a charyou tree  
It comes so easily  
And it burns me down

If there's one you could do for me  
Don't take yourself so seriously  
And burns me down  
Burn me into the ground  
Burn me into the ground  
Burn me into the ground

Just like a charyou tree  
It comes so easily  
And it burns me down
