Heaven, hold me up, don't let me go  
Just shine your light  
Hell is just the ebb, the undertow  
A faded blue sky

I won't waste my time believing  
Waste my breath breathing  
Waste my eyes deceiving  
I can't waste myself in a dirty wake

I spent my last shadow on heaven knows  
I'm awake, let the undertow pull me away all on faith

River to it run the ocean go  
A faded blue sky

I won't waste my time believing  
Waste my breath breathing  
Waste my eyes deceiving  
I can't waste myself in a dirty wake

I spent my last shadow on heaven knows  
I'm awake, let the undertow pull me away all on faith

Won't waste my time believing  
Won't waste my breath breathing  
Won't waste my eyes deceiving  
I can't waste myself in a dirty wake

Won't waste my time believing  
Won't waste my breath breathing  
Won't waste my eyes deceiving  
I can't waste myself in a dirty wake

I spent my last shadow on heaven knows  
I'm awake, let the undertow pull me away all on faith  
Spent my last shadow on heaven knows  
I'm awake, let the undertow pull me away all on faith

River to it run the ocean go
