What's a lie to me
What's a lie to me
What's a lie to me
When it's true
What's it gonna be
What's it gonna be
What's it gonna be
When I'm through
What's the matter with me
What's the matter with me
What's the matter with me
I'm not stupid
I'm in love with a gun
She's high caliber grease
I just can't believe
That I'm slipping

And I'm slipping

What's a lie to me
What's a lie to me
What's a lie to me
When it's true
What's it gonna be
What's it gonna be
What's it gonna be
When I'm through
What's the matter with me
What's the matter with me
What's the matter with me
I'm not stupid
I'm in love with a gun
She's high caliber grease
I just can't believe
That I'm slipping

And I'm slipping
And I'm dead
And I'm slipping
I just can't believe it

I'm in love with a gun
She's high caliber grease
I just can't believe
That I'm slipping
I'm in love with a gun
She's high caliber grease
I just can't believe
That I'm dead
I'm in love with a gun
She's high caliber grease
I just can't believe
That I'm slipping
I'm in love with a gun
She's high caliber grease
I just can't believe it

And I'm slipping
And I'm dead
And I'm slipping
I just can't believe it
