I can see it in your eyes
I can feel it in my blood
Do you realize
What you're losing

I can hear it in your tone
Like a (??) on my life
Would you heard it you'd know
That you were chosen

And are
You sorry that you came here
Sorry you won't find
Promises or answers
To why this is goodbye
To why this is goodbye

I could tell you that I'm fine
Because I'm still a flesh and bone
But would you have been mine
If you'd known

And are
You sorry that you came here
Sorry you won't find
Promises or answers
To why this is goodbye
Why this is goodbye
Goodbye
Goodbye

And are
You sorry that you came here
Sorry you won't find
Promises or answers
To why this is goodbye
Why this is goodbye
Goodbye
Goodbye
