Cause your perfect

Cause your perfect  
The way that you are  
Perfect  
Like the moon in the stars  
And the sun in the sky, getting higher  
Even knows when it's time to surrender

Cause your perfect

Cause your perfect  
The way that you are  
Perfect  
Like the moon in the stars  
And the sun in the sky, getting higher (high)  
Even knows when it's time to surrender

Cause your perfect  
The way that you are  
Perfect  
Like the moon in the stars  
And the sun in the sky, getting higher  
Even knows when it's time to surrender

Cause your perfect  
Perfect  
And the sun in the sky, getting higher  
Even knows when it's time to surrender
