Wear a face
Sometimes late at night
No-one's here
But breathing sounds

Standing small
Sleeping on empty dreams
Move as one
Memories

A blanket of stars
Can't keep you warm
When all you love is gone
And only one heart
Can hug you home

A river of stars
Can't wash the rain
Emotions drowned in pain
For sorrow has no home

Shadows wave
As you shake your fears
Nobody's here
But clouting trees

Question more
Absorb the bitter truth
Move as one
It won't let you be

A blanket of stars
Can't keep you warm
When all you love is gone
And only one heart
Can hug you home

A river of stars
Can't wash the rain
Emotions drowned in pain
For sorrow has no home
