The more you see
The more I hide
The more I show
The more I lie
Or maybe the more I hide
The more you see
The more I lie
The more I show
But I'm twisted and sick, so that's fine with me
But I'm twisted and sick, so that's fine with me

Or the more I show
The more you see
The more I hide
The more I lie
Or even the more you see
The more I show
The more I lie
The more I hide
But I'm twisted & sick so that's fine with me

And I'd love to need you
But I don't
And I want to miss you
But I don't
And I need your wanting
And I love your missing
And I want your loving
But I'm twisted & sick so that's fine with me
That's fine with me

But I'm twisted & sick so that's fine with me
But I'm twisted & sick so that's fine with me

Until I finish what I have to do
I can't start doing what I should do
Before I do what I have to do
I'll have to finish what should be done
I'll have to do this
I'll have to say that
I'll have to go beat

Out all of the crap
I'll have to sit still
I'll have to fulfill
Those stupid ideas
They have about me

But I'm twisted & sick so that's fine with me
But I'm twisted & sick so that's fine with me
That's fine with me

(whispering) Twisted & sick
