Don't promise moments forever  
This night will fade to haunted memories  
And don't relive each kiss  
And whisper tight  
Love me then leave before the dawn  
Don't believe it's not goodbye  
Don't pretend I love you  
Don't ask if you can stay until tomorrow  
Don't stay long enough for me to miss you  
Ooooo love me now then go

Words I do not hear  
Loneliness  
Removes the need for bitter lies  
Laughter through each tear  
Silently  
Sneaks in behind love shadow dreams  
Don't believe this moment will not mean goodbye  
Don't pretend that I'm in love with you

No no no no  
Don't ask to stay until tomorrow  
Don't ask to stay until tomorrow

Now, don't stay long enough for me to miss you  
Oooooo love me now, then go

Words I do not hear  
Loneliness  
Removes the need for bitter lies  
Laughter through each tear  
Silently  
Sneaks in behind love shadow dreams  
Now don't believe this moment will not mean goodbye  
Ahhhh don't ya pretend that I'm in love with you  
(Don't ya do it)

Don't ask to stay until tomorrow  
Don't ask to stay until tomorrow

Don't ask to stay until tomorrow

Love me now, love me now  
Leave before the dawn  
When the sun comes up, please be gone...  
Don't ask to stay until tomorrow
