I got two bits and you got a dollar.  
Don't need no Coup De Ville to have ourselves a ball,  
girl.  
\*Cause I know a juke box that won't stop blastin',  
And I got two bits...  
Girl you look so fine, the sun shining through your  
dress.  
Let's make a mess of your feather bed tonight!  
But first I wanna dance with you, I wanna make it last.  
Get my two bits worth, babe!  
When you flash those eyes, how they tantalize me!  
Something's got a hold of my soul.  
When you move your hips and you lick your lips,  
I wanna hold on till I lose control!  
Put on your CD, mama, it's just you and me.  
We'd better pull the shades, we're such a sight to see!  
'Cause we got the rhythm and sweet harmony.  
It just takes two bits, baby!  
When you flash those eyes, how they tantalize me!  
Something's got a hold of my soul.  
When you do those things, when you queen my king,  
I wanna hold on till I lose control!
