Window shoppin', window shoppin'.
You're only lookin' around.
You're not buyin', you're just tryin'
To find the best deal in town.
(Chorus:)
You give away your kisses,
But you never give your heart
To anyone that's fool enough to fall.
You don't feel love,
You don't want real love.
You're window shoppin', that's all.
Window shoppin', window shoppin'.
You're only lookin' around.
You're not buyin', you're just tryin'
To find the best deal in town.
(Chorus)
I said, you're window shoppin', that's all.
Ahhh!
