(Chorus):

Lay down your weary tune, lay down.
Lay down the song you strum.
And rest yourself 'neath the strength of strings
no voice can hope to hum.

(Chorus)

Caught by the sound before the dawn,

The morning breeze like a bugle blew
against the drums of dawn.

(Chorus)

The ocean wild like an organ played
the seaweed's woven strand.
The crashing waves like a cymbal clashed
against the rocks and sands.

(Chorus)
