1)

I could be in the blue, blue waters of Mexico
'stead of being here with you, feelin' so alone.
Mexico will cure what ails me - Mexico.
Warm tequila, salty nights, oh, Mexico.

(Bridge:)

I can't believe that I've lost you.
That look in your eyes is gone.
Do you take me for a fool?

(2)

Days are long and nights are warm down in Mexico.
I can honestly say I'm hopin' you don 't show.
Mexico will cure what ails me - Mexico.
Warm tequila, salty nights, oh, Mexico.
