After you get through with me,
who will your next fool be?
I know, I know, I know, I know.
There's some things you ought to know 'bout the girl I
love.

(Chorus1:)

And after all is said and done,
you can't be satisfied with anyone.
And after you get through with me,
who will your next fool be?

(Chorus2:)

Will he believe all those lies?
Will he be left like me, tears in his eyes?
I know, I know, I know, I know.
I don't want to be the one to tell him so.

And after all is said and done,
know you can't be satisfied with anyone.
After you get through with me,
who will your next fool be?

(Chorus2)
