Now the story's told  
B-b-b-b-baby did you really know  
All those gifts you received  
B-b-b-b-baby come straight from me  
I said  
Ain't that enough?  
All my love with all that stuff  
I say  
Ain't that enough?  
All my love with all that junk  
(Yeah! )

These words I say  
B-b-b-b-baby is the tone okay?  
I got more promises  
B-b-b-b-baby more than I should admit  
I say  
Ain't that enough? (uh-huh, uh-huh)  
All my love with all that stuff  
I say  
Ain't that enough? (uh-huh, uh-huh)  
All my love with all that junk

And through these crazy days  
You're cool like summer rain  
Sweet you taste

And the comfort I now know  
Is the comfort you should show  
Yeah, show.

We're spinning 'round  
B-b-b-b-baby life's a lost and found  
Got no time to waste  
B-b-b-b-baby I give you all you can take  
I said  
Ain't that enough? (uh-huh, uh-huh)  
All my love with all that stuff  
I say  
Ain't that enough? (uh-huh, uh-huh)  
All my love with all that junk  
(Yeah! )

Ain't that enough? (uh-huh, uh-huh)  
All my love with all my stuff  
I say  
Ain't that enough? (uh-huh, uh-huh)  
All my love with all my junk

She said she's got it down  
She said she's got a groove  
Everything's cool
