Been thinkin' a lot, about my ways  
Well guess I'm tryin' baby  
Been searchin' out, a way to say  
'N' guess I'm sorry baby this time  
(Ooo)  
I give up to you, it's time  
(Ooo)  
I prove something to you

So I'll lift you up and hold you near  
I'll warm your heart and calm your fears  
See I don't wanna lose this love I found  
So I'll burn my bridges, burn them down

Been hurtin' a lot without you here  
Well guess I need you baby  
Been sleepin' upon a bed of tears  
Well I guess I miss you baby, this time  
(Ooo)  
I give up to you, it's time  
(Ooo)  
I prove something to you

So I'll lift you up and hold you near  
I'll warm your heart and calm your fears  
See I don't wanna lose this love I found  
So I'll burn my bridges, burn them

'N' take all my world and shake it  
'N' take my dear heart and embrace it  
'N' take what I see and listen  
My world's changing, changing for you

Hey, hey

So I'll lift you up and hold you near  
I'll warm your heart and calm your fears  
See I don't wanna lose this love I found  
So I'll burn my bridges, burn them down

Oh I'll lift you up and hold you near  
I'll warm your heart and calm your fears

See I don't wanna lose this love I found  
So I'll burn my bridges, burn them down
