And time you've had more than your share of mine
I'm a criminal with no crime
I sing like a bird that is now released
Well like an angel with clip-on wings

Yeah I've nothing that's etched in stone
See I'm a ready who's already gone

There's a joke, yeah there's a tease
There's a cause I do believe
But let it run now, let it run after me, hey

And low I can't live in a sinking hole
'Cause I'm as high as the grass will grow
I'm gone like a stage, with its curtain drawn
Well like the last bus to Babylon

Yeah I can mumble and talk again
But I'm a promise that's never been

There's a joke, yeah there's a tease
There's a cause I do believe
But let it run now, let it run after me

There's a thrill yeah, there's a sea
Memories I, I believe
But let it run now, let it run after me

Yeah, I'm coming round
This world loves me now
And feel the rhythm of change
Yeah, its laying it down

Yeah I've nothing that's etched in stone
See I'm a ready who's already gone

There's a joke, yeah there's a tease
There's a cause I do believe
But let it run now, let it run after me

There's a thrill yeah there's a sea
Memories I, I believe

But let it run now, let it run after me
