Give me a word, give me a sign  
Show me where to look, tell me what will I find  
(What will I find?)  
Lay me on the ground, fly me in the sky  
Show me where to look, tell me what will I find  
(What will I find?)

Yeah, yeah, yeah

Oh, heaven let your light shine down  
Oh, heaven let your light shine down  
Oh, heaven let your light shine down  
Oh, heaven let your light shine down

Love is in the water, love is in the air  
Show me where to look, tell me will love be there  
(Will love be there?)  
Teach me how to speak, teach me how to share  
Teach me where to go, tell me will love be there  
(Will love be there?)

Oh, heaven let your light shine down  
Oh, heaven let your light shine down  
Oh, heaven let your light shine down  
Oh, heaven let your light shine down

Give me a word, give me a sign  
Show me where to look, tell me what will I find  
(What will I find?)  
Lay me on the ground, fly me in the sky  
Show me where to look, tell me what will I find  
(What will I find?)

I'm going to let it shine, I'm going to let it shine  
Heavens little light gonna shine on me  
Yeah yeah, heavens little light gonna shine on me  
Shine, shine on me, shine, come on and shine
