I will follow
I will follow
'Till the stars fall down
'Till the sun burns out

I will follow
I will follow
'Till Gabriels horn does sound

I will follow
I will follow
Through the path you chose
With the words you spoke

I will follow
I will follow
By the love you always showed

I won't cry out
'Cause of love i've left in me
I won't cry out
'Cause now I will receive
Everything that you've given me
All things to me

I will follow
I will follow
For in you I do believe

I will follow
I will follow
Through the the path you chose
With the words you spoke

I will follow
I will follow
By the love -
the love you showed
