Oh, you think it but you can't believe  
So you say it's like that  
Yeah, you see it but you can't be seen  
Now is it like that?

So, hey, hey, hey, yeah, where you coming from?  
Hey, hey, hey, we are all an equal some  
Hey, hey, hey, you got the attitude  
That everything's important 'cause the news is always  
new to you

You're not underground  
You're just silly now  
Oh, my foolish pup lighten up  
Yeah, yeah, yeah, yeah, lighten up

Hey, you want it but you can't receive  
So you say it's like that  
Hey, you know it but you can't agree  
Now is it like that?

So, hey, hey, hey, yeah, where you coming from?  
Hey, hey, hey, we are all an equal some  
Hey, hey, hey, you got the attitude  
That everything's important 'cause the news is always  
new to you

You're not underground  
You're just silly now  
Oh, my foolish pup lighten up  
Yeah, yeah, yeah, yeah, lighten up

You're not underground  
You're just silly now  
Oh, my foolish pup lighten up  
Yeah, yeah, yeah, yeah, lighten up

Be careful with the tongue  
Then softer with the words you choose  
Take your time, take your time  
Take your time to find your own groove

Hey, hey, when information comes around  
Hey, hey, well, let a message be found  
Hey, hey, has your conviction sold out?  
Hey, hey, has your conviction sold out?

You're not underground  
You're just silly now  
Oh, my foolish pup lighten up  
Yeah, yeah, yeah, yeah, lighten up

You're not underground  
You're just silly now  
Oh, my foolish pup lighten up  
Yeah, yeah, yeah, yeah, lighten up

Yeah, yeah, yeah, yeah, lighten up  
Yeah, yeah, yeah, yeah, lighten up  
Yeah, yeah, yeah, yeah, lighten up
