Got your sticks, got your stones
Got your ways, your means, your wants
Your needs, yeah, you is all you know

Who can learn what's wrong?
Who can learn what's right by your ways?
See, I can say I've loved
I can say I've tried in my days

Got your wish, got your dreams
Got your thoughts, your cause
Beware because nothing's as it seems

Who can learn what's wrong?
Who can learn what's right by your ways?
See, I can say I've loved
I can say I've tried in my days

Who can learn what's wrong?
Who can learn what's right by your ways?
See, I can say I've loved
I can say I've tried in my days

Try some conversation
Grab new information
Change is an indication
You can grow, you will grow

Who can learn what's wrong?
Who can learn what's right by your ways?
See, I can say I've loved
Yeah, I can say I've tried in my days

Who can learn what's wrong?
Who can learn what's right by your ways?
See, I can say I've loved
I can say I've tried, tried in my days

Yeah, have you learned? Yeah, have you learned?
Yeah, have you learned by your ways?
See, I have learned, yeah, I have learned
Yeah, I have learned in my days
