Are these times contagious?
I've never been this bored before
Is this the prize I've waited for?
Now with the hours passing
There's nothing left here to ensure
I long to find a messenger

Have I got a long way to run?
Have I got a long way to run?
Yea, I run

Is there a cure among us
From this processed sanity?
I weaken with each voice that sings
Now in this world of purchase
I'm goin' to buy back memories

To awaken some old qualities

Have I got a long way to run?
Have I got a long way to run?
Yea, I run
Yea, I run

Have I got a long way?
Have I got a long way?
Have I got a long way to run?
Have I got a long way to run?

Yea, I run
(Have I got a long way to run?)
Yea, I run
(Have I got a long way to run?)
Yea, I run
(Have I got a long way to run?)
Yea, I run
(Have I got a long way to run?)
