Tangled up your twisted tongue. it's simple
Mesmerize your everyday. it's simple
Hey hey can't you see?
Love is all that you should need
Can't you see?

Ease your troubled mind
Let love seek and let love find. it's simple
Ease your weary soul
Let love lead and let love flow. it's simple

Pry into combative times. it's simple
Forfeit all lush concerns. it's simple
Hey hey don't you care?
Love is all that you should share
Don't you care?

Ease your troubled mind
Let love seek and let love find. it's simple
Ease your weary soul
Let love lead and let love flow. it's simple

Cleanging out your tarnished heart. it's simple
Learning from each other can be simple
Hey hey don't we know?
Love is all that we should know
Don't we know?
