Morning like this
Make me feel like I could never float
Glimpses of peace
Portray all that you never could show

I'm not weakened by the fears, that you have applied
See I'm now learning in these walls, that I've been
supplied
Slow, slow down boy, slow down to control
Slow, slow

Clothed in new costumes
That weather your newfound storms
Staring through reason
Content with your newfound decor

I'm not weakened by the fears, that you have applied
See I'm now learning in these walls, that I've been
supplied
Slow, slow down boy, slow down to control
Slow, slow

I passed the darkened vaults of
Late doorways as if I were a king
Like this I chain a whisper to my faults

I'm not weakened by the fears, that you have applied
See I'm now learning in these walls, that I've been
supplied
Slow, slow down boy, slow down to control
Slow, slow
