[Ed sheeran]

We're torn between what's right and what's not  
What's up, what's down

[Ms dynamite]

Left or right, deep down, on top, full stops  
Exclamation mark, punctuation

[Chipmunk]

100%, straight a's, education  
University, job prospects, lost objects

[Wretch 32]

New possessions, new friends  
Old lessons

[Mizz bratt]

New questions, old answers  
New message

[Dot rotten]

Repeat sentence, feel presence  
Receive gestures

[Tinchy stryder]

Learn more, seek blessings

[Dot rotten]

Seek forgiveness

[Tinchy stryder]

Seek freedom, seek vengeance  
Be full of life, be vacant  
Flee danger, be braver

[Tulisa: chrous]

Love, love is a verb  
Love is a doing word  
Fearless on my breath  
Gentle impulsion  
Shakes me, makes me lighter

Fearless on my breath

Teardrop on the fire  
Fearless on my breath

[Wretch 32]  
Be careful, be reckless  
Be reserved, be respected

[Chipmunk]  
Be flamboyant, be rejected  
Be loved, be neglected  
See sense

[Mizz bratt]  
See nonsense, see the lies  
See honesty

[Rizzle kicks]  
See properly, see poorly  
See tarnished, see quality

[Dot rotten]  
Keep changing, be a changer  
Be popular, be a stranger

[Tinchy stryder]  
Do favours, be selfish  
Share riches, be homeless

[Ms dynamite]  
Be selfless, be careless  
Be you, be them  
Be anyone

[Ed sheeran]  
Be an enemy, be a friend  
But beware

[Tulisa: chrous]  
Love, love is a verb  
Love is a doing word  
Fearless on my breath  
Gentle impulsion  
Shakes me, makes me lighter  
Fearless on my breath

Teardrop on the fire  
Fearless on my breath

[Wretch 32]

You can be anything you dream of

[Mizz bratt]

I wise man appreciates the time on a cheap watch

[Wretch 32]

Value everything you own

[Dot rotten]

Somebody probably dreams of the bed that you sleep  
on

[Wretch 32 & mizz bratt]

Be anything, it's your choice

[Ms dynamite]

Always speak your mind

[Tinchy stryder]

Your voice

We're living in the land of opportunities

[Wretch 32]

You can turn silver into gold with four coins

[Bridge]

[Tulisa]

Come on

Love is a verb

A doing word

On, on my breath

[Labrinth]

Now don't you quit on me

[Tulisa]

Makes me lighter

[Labrinth]

I need you baby

[Tulisa & labrinth]

Love, love is a verb

Love is a doing word

Fearless on my breath
