Has our conscience shown?  
Has the sweet  
breeze blown?  
Has all the  
kindness gone?  
Hope still lingers on.  
I drink myself  
of newfound pity  
Sitting alone  
in New York City  
And I don't know why..  
don't know why..

Are we listening  
To hymns of offering?  
Have we eyes to see  
That love is gathering?  
All the words  
that I've been reading  
Have now started  
the act of bleeding  
Into one...into one..

So I walk up on high  
And I step  
to the edge  
To see my world below.  
And I laugh  
at myself  
While the tears  
roll down.  
'Cause it's  
the world that I know.  
Oh it's  
the world that I know.

I drink myself of  
newfound pity  
Sitting alone  
in New York City  
And I don't know why..

don't know why..

So I walk up on high  
And I step  
to the edge  
To see my world below.  
And I laugh  
at myself  
While the tears  
roll down.  
'Cause it's  
the world that I know.  
Oh it's  
the world that I know
