Imagine again  
I lean a little closer just to breathe you in  
Words are in bloom  
They wake me with their meanings and their  
Thoughts of you

Chorus:  
I can't give you  
Treasures that only men have made  
But what i can give you  
No one can ever take away

Twisting the day  
I always lose myself so i can find your way  
Promises be  
They whisper all the yearning  
That I swear you'll need

Chorus

I've got a long way  
A long way to come down

Chorus
