Has our conscience shown?  
Has the sweet breeze blown?  
Has all the kindness gone?  
Hope still lingers on.  
I drink myself of newfound pity  
Sitting alone in New York City  
And I don't know why.

Are we listening?  
Hymns of offering.  
Have we eyes to see?  
Love is gathering.  
All the words that I've been reading  
Have now started the act of bleeding  
Into one.

So I walk up on high  
And I step to the edge  
To see my world below.  
And I laugh at myself  
While the tears roll down.  
'Cause it's the world I know.  
It's the world I know.
