(feat. Ainslie Henderson)

You've done it all  
You've broken every code  
You brought the rebel to the floor  
You've spoiled the game  
No matter what you say  
For only metal, what a bore!  
Blue eyes, blue eyes  
How come you tell so many lies?

(CHORUS)

Come up and see me  
Make me smile  
But do what you want  
Running wild!

There's nothing left  
All gone and run away  
Maybe you'll tarry for a while  
It's just a test  
A game for us to play  
Win or lose, it's hard to smile  
Resist, resist  
It's for yourself, you have to hide, oh

(CHORUS)

There ain't no more  
You've taken everything  
From my belief in the earth  
Can you ignore  
My faith in everything  
Cuz my faith's what it's for  
The way, a way  
Don't say that maybe you'll try

(CHORUS)

Come up and see me  
Oh, come up and see  
Come up and see me

Gonna make you smile
