We've got a five sided magazine
We'll make a whole lot of history
Baby's staring back all courageously
It won't be long until we make a scene

You've got a whole lot of mystery
Baby's got a bad, bad history
You've got a whole lot of mystery
Baby's got a bad, bad history

Are we crazy or are we glad?
Keep your instincts to make a stand
Keep on searching for what we had
To remind us all

Are we crazy or are we glad?
Keep your instincts to make a stand
Keep on searching for what we had
To remind us all
