So much red water between my fists,  
Juggle the ashes between your teeth and tongue  
Horses brace you, we're number one  
Red water squad, dead brother squad  
Juggle the embers between your teeth and tongue  
Horses brace you, we're number 7  
Imagination turning negative and working  
Backwards against We are numbers  
1 7 3 4 6 2 9 8 1 7 3 4 6 7 5 8 5 1 2 3 4 6 7 9 8 5 7 3 2  
And 1 2 and 7 and 6 and 5, 1 and 7 and 3 and 6, 4 and  
2 and 9 and 1
