You

Until you came, it felt like my world  
Was fallin' apart at the seams  
All of my childhood dreams  
Were empty and meaningless

Until we kissed it seemed like the rain  
Was turnin' my hopes into sand  
Oh, I was a yesterday man until I found you

It was as plain as the nose on my face  
That I was heading nowhere  
Then into my life came an angel of grace  
Sunlight in her hair

Now, love is the strangest emotion  
'Cause just when I want you to stay  
Seems like you're changing, don't turn me away  
(Don't turn me away)

Until you came, it felt like my world  
Was fallin' apart at the seams  
All of my childhood dreams  
Were empty and meaningless

Until we kissed it seemed like the rain  
Was turnin' my hopes into sand  
Oh, I was a yesterday man until I found you

I'm like a man in a mantle of black  
Who just saw the light  
Who cast off the shadow when you gave him back  
The meaning to life

Now, love is the strangest emotion  
'Cause just when I want you to stay  
Seems like you're changing, don't turn me away  
(I want you to stay)

Until you came, it felt like my world  
Was fallin' apart at the seams

All of my childhood dreams  
Were empty and meaningless

Until we kissed it seemed like the rain  
Was turnin' my hopes into sand  
Oh, I was a yesterday man until I found you
