She sang as she dealt the blow and fell  
And the telephone rang  
As she wrote some words on a piece of paper  
And jumped into the dark  
To free himself

Don't save me!  
Please set me free!  
Release me!  
From misery!

[Solo]

Hold your breath and close your eyes  
They will never let you sleep at night

She slept as her soul left and no one realized  
She was dead  
He cried as he looked into her eyes and died  
As she sang him  
A lullaby

Don't save me!  
Please set me free!  
Don't save me!  
Don't save me!  
Release me!  
From misery!
