You and I go hard at each other like we're going to war
You and I go rough, we keep throwing things and
slamming the door
You and I get so damn dysfunctional we start keeping
score
You and I get sick, yeah I know that we can do this no
more
But baby there you go again, there you go again
making me love you oh
Baby I stopped using my head, using my head let it all
go oh
Now you're stuck on my body, on body like a tattoo oh
And now I'm feeling stupid, feeling stupid crawling
back to you
So I cross my heart and I hope to die
That I'll only stay with you one more night
And I know I said it a million times
But I'll only stay with you one more night
Try to tell you no but my body keeps on telling you yes
Try to tell you stop, but your lipstick's got me so out of
breath
I'll waking up in the morning probably hating myself
I'll be waking up inner satisfied, guilty as held
But baby there you go again, there you go again
making me love you oh
Baby I stopped using my head, using my head let it all
go oh
Now you're stuck on my body, on body like a tattoo oh

And now I'm feeling stupid, feeling stupid crawling
back to you
So I cross my heart and I hope to die
That I'll only stay with you one more night
And I know I said it a million times
But I'll only stay with you one more night
Yeah baby give me one more night
Yeah baby give me one more night
Yeah baby give me one more night
Baby there you go again, there you go again making
me love you
And I stopped using my head, using my head let it all

go
My truth on my body, on my body like a tattoo
Yeah, yeah, yeah
So I cross my heart and I hope to die
That I'll only stay with you one more night
And I know I said it a million times
But I'll only stay with you one more night
So I cross my heart and I hope to die
That I'll only stay with you one more night
And I know I said it a million times
But I'll only stay with you one more night
