Left my worries back home
Makes my mind go wild
'Bout to taste the unknown
(Touching down on this dream)

Feel the breeze hit my face
Let the waves begin to move
Check those beautiful bodies
How they get me into the groove

CHORUS

I don't want no wake up call
Cause I'm lovin' this dream
(Lovin this dream)
Read the sign my mind's on hold
And I'm lovin' this dream
(Lovin this dream)
Won't look back now
While I'm livin' this dream
(Lovin' this dream)
This world I've found is my pleasure ground
And I'm Lovin' this dream
(Lovin this dream)

Coming out of the blue sea
I play games with the sun
And my body transforms
When the night has come

Then the music takes control
On the dance floor's twilight zone
I see your look, I feel the heat
And we spin right on the beat

CHORUS(REPEAT)

BRIDGE

You pull me over
I taste your kiss
Your touch so real
Who can resist

Lift me higher baby Now
Don't you let this dream escape.

OUTRO CHORUS

I don't want no wake up call
Cause I'm lovin' this dream
(Lovin this dream)
Read the sign my mind's on hold
And I'm lovin' this dream
(Lovin this dream)
Taking a chance for the best I hope
'Cause I'm lovin' this dream
(Lovin This dream)
Surreal gets real no illusion
I'm just lovin' this dream
(Lovin this dream)
Won't look back now
While I'm living this dream
(Lovin' this dream)
This world I've found is my pleasure ground
And I'm Lovin' this dream
(Lovin this dream)

I don't want no wake up call
Cause I'm lovin' this dream
(Lovin this dream)
Read the sign my mind's on hold
And I'm lovin' this dream
(Lovin this dream)
Won't look back now
While I'm livin' this dream
(Lovin' this dream)
This world I've found is my pleasure ground
And I'm Lovin' this dream
(Lovin this dream)
