[Oasis cover]

Slip inside the eye of your mind
Don't you know you might find
A better place to play

You said that you've never been
But all the things that you've seen
They slowly fade away

So I'll start a revolution from my bed
Cause you said the brains I had went to my head
Step outside the summertime's in bloom
Stand up beside the fireplace
Take that look from off your face
You ain't ever gonna burn my heart out

And so, Sally can wait
She knows it's too late as we're walking on by
Her soul slides away
But don't look back in anger
I heard you say

Take me to the place where you go
Where nobody knows
If it's night or day

Please don't put your life in the hands
Of a rock and roll band
Who'll throw it all away

I'm gonna start a revolution from my bed
Cause you said the brains I had went to my head
Step outside, cause summertime's in bloom

Stand up beside the fireplace
Take that look from off your face
Cause you ain't ever gonna burn my heart out

So, Sally can wait
She knows it's too late as we're walking on by

My soul slides away
But don't look back in anger
I heard you say

So, Sally can wait
She knows it's too late as we're walking on by
Her soul slides away
But don't look back in anger
Don't look back in anger
I heard you say

At least not today.
