I'm so cool, too bad I'm a loser
I'm so smart, too bad I can't get anything figured out
I'm so brave, too bad I'm a baby
I'm so fly, that's probably why it
Feels just like I'm falling for the first time

I'm so green, it's really amazing
I'm so clean, too bad I can't get all the dirt off of me.
I'm so sane, it's driving me crazy
It's so strange, I can't believe it
Feels just like I'm falling for the first time

Anyone perfect must be lying, anything easy has its
cost
Anyone plain can be lovely, anyone loved can be lost
What if I lost my direction? What if I lost sense of time?
What if I nursed this infection? Maybe the worst is
behind
It feels just like I'm falling for the first time
It feels just like I'm falling for the first time

I'm so chill, no wonder it's freezing
I'm so still, I just can't keep my fingers out of anything
I'm so thrilled to finally be failing
I'm so done, turn me over cause it
Feels just like I'm falling for the first time

Anything plain can be lovely, anything loved can be lost
Maybe I lost my direction, what if our love is the cost?
Anyone perfect must be lying, anything easy has its
cost
Anyone plain can be lovely, anyone loved can be lost
What if I lost my direction? What if I lost sense of time?
What if I nursed this infection? Maybe the worst is
behind!
