Hello
Where do you wanna go?
Down to Mexico
For a while?

I find
Here in the sunshine
Everything's so fine
Talked down by the world

Someone told me long ago
It feels the best when you take it slow
Cos when it's 90 degrees and you're feeling alone
It's like a cold drink for your mind

Don't stop
Fighting off rain drops
Taking a turn style
To the sun

I find
Here in the sunshine
And you look so fine
When you take it slow

Someone told me long ago
It feels the best when you take it slow
Cos when it's 90 degrees and you're feeling alone
It's like a cold drink for your mind

Someone told me long ago
It feels the best when you take it slow
Cos when it's 90 degrees and you're feeling alone
It's like a cold drink for your mind

Someone told me long ago
It feels the best when you take it slow
Cos when it's 90 degrees and you're feeling alone
It's like a cold drink for your mind
It's like a cold drink for your mind
It's like a cold drink for your mind

It's like a cold drink for your mind
It's like a cold drink for your mind
It's like a cold drink for your mind
It's like a cold drink for your mind
