How dare you say that my behavior's unacceptable
So condescending, unnecessarily critical
I have the tendency of getting very physical
So watch your step cause if I do you'll need a miracle

You drain me dry and make me wonder why I'm even
here
This Double Vision I was seeing is finally clear
You want to stay but you know very well I want you gone
Not fit to fuckin' tread the ground that I am walking on

When it gets cold outside and you got nobody to love
You'll understand what I mean when I say
There's no way we're gonna give up
And like a little girl cries in the face of a monster that
lives in her dreams
Is there anyone out there cause it's getting harder and
harder to breathe
Is there anyone out there cause it's getting harder and
harder to breathe

What you are doing is screwing things up inside my
head
You should know better you never listened to a word I
said
Clutching your pillow and writhing in a naked sweat
Hoping somebody someday will do you like I did

When it gets cold outside and you got nobody to love
You'll understand what I mean when I say
There's no way we're gonna give up
And like a little girl cries in the face of a monster that
lives in her dreams
Is there anyone out there cause it's getting harder and
harder to breathe
Is there anyone out there cause it's getting harder and
harder to breathe

Does it kill
Does it burn
Is it painful to learn

That it's me that has all the control

Does it thrill

Does it sting

When you feel what I bring

And you wish that you had me to hold

When it gets cold outside and you got nobody to love

You'll understand what I mean when I say

There's no way we're gonna give up

And like a little girl cries in the face of a monster that
lives in her dreams

Is there anyone out there cause it's getting harder and
harder to breathe

Is there anyone out there cause it's getting harder and
harder to breathe
