Apathetic mass enslaved to machines that never sleep.  
Blinded eyes ãfÂçâ,¬" waste of life!  
Bones that carry rotten flesh through days of lethargy.  
No refusal ãfÂçâ,¬" no resistance!

Not every heart is worth beating!

Eyes accepting senseless killing of the innocent day by day.  
Animals die ãfÂçâ,¬" no reason why!  
Men that speak of freedom leading soldiers to their graves.  
Hypocrite ãfÂçâ,¬" full of shit!

Not every mouth is worth breathing!

THIS LIFE ãfÂçâ,¬" IT'S WASTED!

Destroying everything around for some abhorrent needs.  
Human kind ãfÂçâ,¬" crown of creation!  
Misanthropic hate campaign against our human kind.  
No turning back ãfÂçâ,¬" hordes of the dead!

Not every live is worth living!

THIS LIFE ãfÂçâ,¬" IT'S WASTED!
