Save our lives...
Can't revive...
Your magic place is nearing Hell...

Set it straight
Can't relate
I hope your friends treat you well.

All the waiting
Caring fading
And I'm fallin'
I'm fallin'

All the waiting
Caring fading
And I'm fallin'
I'm fallin'

You saved our lives
And took our knives
You waited for the time to sell.

All the waiting
Caring fading
And I'm fallin'
I'm fallin'
(x2)

Save our lives...
Can't revive...
Your magic place is nearing Hell...

Set it straight
Can't relate
I hope your friends treat you well.

All the waiting
Caring fading
And I'm fallin'
I'm fallin'
(x2)

(yeahhh.... yeahh....)

Save our lives...

Save our lives...

Save our lives...
