There's something about my ego
Turn it back up... that tivo
Up in the ride I'm leaning back at my...
You need those to juts sex em
Bang that ass like back em, on dress em
Respect em just for the night and after that to forget
them
Neglected I'm... girl
Turn the house into a... world
Probably get me... myself... you call come on
That girl but the homie feeling kind of hornie
When I'm on the... 'cause I

Just shoot for the stars
If it feels right
Then aim for my heart
If you feel like
And take me away, make it okay
I swear I'll behave

You wanted control
So we waited
I put on a show
Now I make it
You say I'm a kid
My ego is big
I don't give a sh*t
And it goes like this

Chorus:
Take me by the tongue
And I'll know you
Kiss me till you're drunk
And I'll show you
You want the moves like jagger
I've got the moves like jagger
I've got the mooooooves... like jagger

I don't need try to control you
Look into my eyes and I'll own you

With them the moves like jagger
I've got the moves like jagger
I've got the mooooooves... like jagger

Maybe it's hard
When you feel like you're broken and scarred
Nothing feels right
But when you're with me
I make you believe
That I've got the key

Ohh, so get in the car
We can ride it
Wherever you want
Get inside it
And you want to steer
But I'm shifting gears
I'll take it from here
Oh yeah
And it goes like this

Chorus:
Take me by the tongue
And I'll know you
Kiss me till you're drunk
And I'll show you
You want the moves like jagger
I've got the moves like jagger
I've got the mooooooves... like jagger

I don't need try to control you
Look into my eyes and I'll own you

With them the moves like jagger
I've got the moves like jagger
I've got the mooooooves... like jagger
I'm a rich bastard make jagger

Said I got them hopes
I was rollign stone, girls call on my phone
Let em ring too cool
Get a little bit of dough when I'm in the...
... so igger but no need tease up
I'ma go whip and just clean up

So watch and learn
I won't show you twice
Head to toe, ooh baby, roll me right
And if I share my secret
You're gonna have to keep it
Nobody else can see this

And it goes like this

[Chorus]
