I have told
All of my enemies
Very politely
To go home.
I have seen
All of your remedies
Now wont you let me please go home.
I can't find anythin to be sad about.
They say im doomed but i feel fine.
I have tried
So very hard as hell
To stay away from them
And go upstairs.
When i see
All of your remedies
I try more desperately to go home.
I can't find anythin to be sad about.
They say im doomed but i feel fine.
But if im seatin here lonely,
With no one to hold me,
At least i'll have my health.
Im tryin to control myself.
I hav told
All of my enemies
Very politely
To go home.
I have seen
All of your remedies
Now wont you let me please go home.
Ive been acting irresponsibly
Oh wat could possibly go wrong.
I have choked on all your remedies
Now wont you let me please go home.
But if im seatin here lonely,
With no one to hold me,
At least i'll have my health.
Im tryin to control myself.
