Touch this hand  
This face is yours  
It will never be here again  
Please remember these times  
Bite the pain  
As dead eyes stare  
Cold blood stays  
A freezing moon the blackest dawn

AS YOU TURNED AWAY  
I SAW YOU  
AS YOU TURNED AWAY  
WITH NOTHING TO SAY

All those years  
Cold like razors  
It will never be here again  
Please remember these times  
Memories are immortal

AS YOU TURNED AWAY  
I SAW YOU  
AS YOU TURNED AWAY  
WITH NOTHING TO SAY  
AS YOU TURNED AWAY  
I SAW YOU  
AS YOU TURNED AWAY  
WITH NOTHING TO SAY  
TO SAY  
AS YOU TURNED AWAY  
WITH NOTHING TO SAY  
AS YOU TURNED AWAY  
WITH NOTHING TO SAY  
TO SAY  
WITH NOTHING  
WITH NOTHING TO SAY  
TO SAY
